DART Facilities
Purpose
The purpose of the Growth and Change Map is to describe the level of change that is expected to occur on sites around the city. The map shall not constitute zoning regulations or establish zoning district boundaries, but should provide general direction for new development and redevelopment projects.

Open and Social Space (OS)
These areas are expected to remain open and social space uses, such as nature preserves, parks, country clubs, and institutional uses, but will improve to meet the changing leisure, recreation, and social desires of the community.

New Growth (NG)
These existing undeveloped areas (>50 acres) are expected to experience new development through master-planned projects.

Evolve Urban (EU)
These existing areas are expected to experience extensive large-scale change through major redevelopment projects that evolve into distinct walkable districts.

Transform Center (TC)
These existing areas are expected to experience significant redevelopment and transformation of the existing form into small-scale pedestrian-friendly centers.

Improve and Refine (IR)
These areas are expected to experience moderate changes through infill, reuse, and redevelopment.

Conserve and Enhance (CE)
These areas are expected to retain the current form of development, but will experience some minor infill and ongoing rehabilitation consistent with the present form and character.
